

Register Domain Name

Task 1: Register Free Domain Name

Step 1: Register Free Domain Name

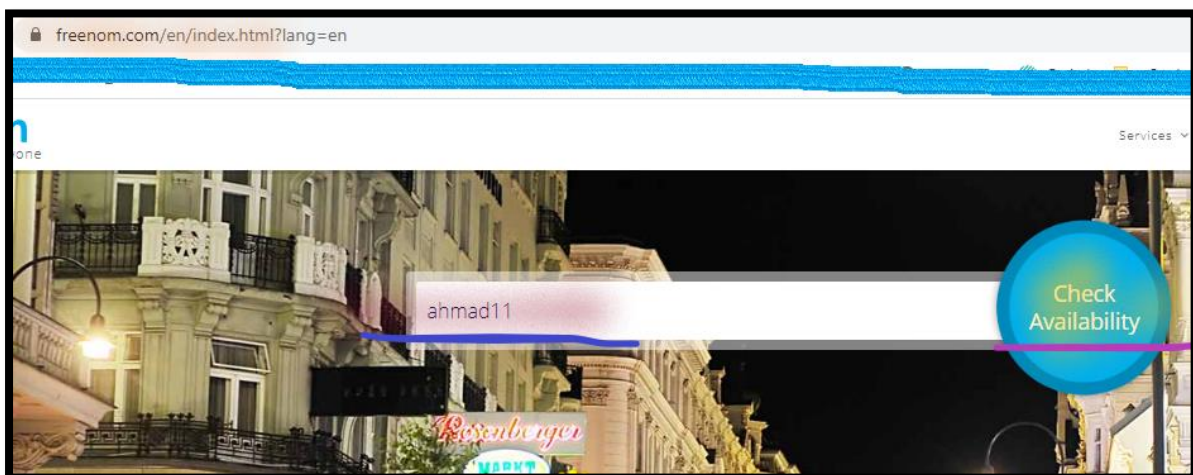

Freenom is the free domain provider. Free domains work exactly like any other domain name. You can use it for your website, your blog, email account and more.

1. Open the below **URL**

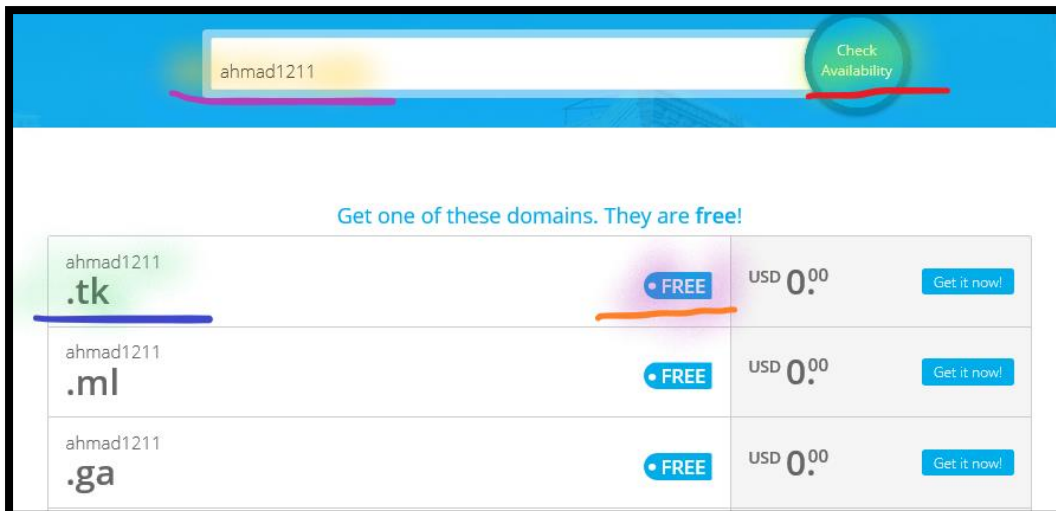

<https://www.freenom.com>

Note: If you are registering your domain from Class use mobile to avoid get it blocked, considering if multiple users try to create various domain name from same IP address.

2. On the home page you will be able to type in the domain name you would like to register in the **Find a new Free domain** field.

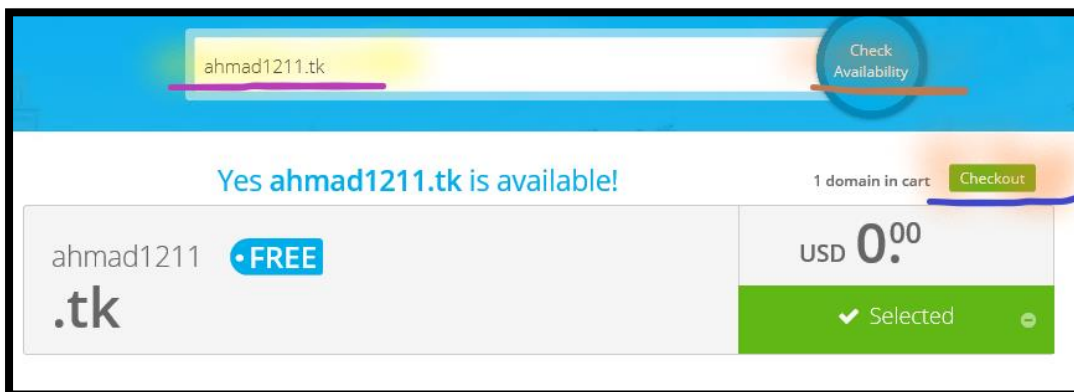

3. Write your **name** to find the **free domain name**.
4. Click **Check Availability**

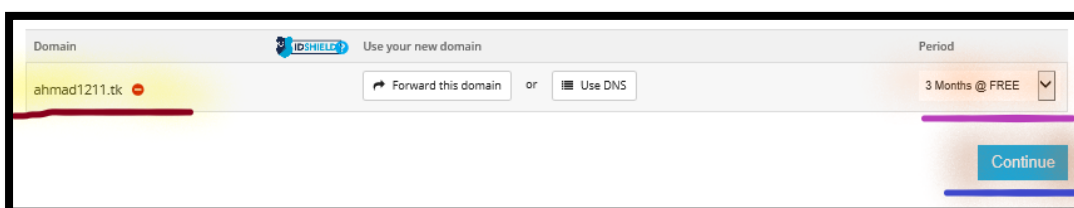

Note: If you don't get free domain name, add some numbers after your name to search the free domain name.

5. **Copy** the domain name **with extension** which is **available as free**.
6. **Search** again with the **domain name with extension**
7. Click **Checkout**

Note: If Checkout is not enabled, Click on **Get it now**.

8. Click on **Continue**

Note: You can use free Domain up to 1 year. To change the period, dropdown & select the period.

- Provide **temp email id** (which you have generated in the previous step) and click **Verify My Email Address**

SENDER	SUBJECT	VIEW
Freenom noreply@freenom.com	Freenom Email Verification	>

12. **Open** the email from Freenom.

13. Click on the **link** to verify your email address.

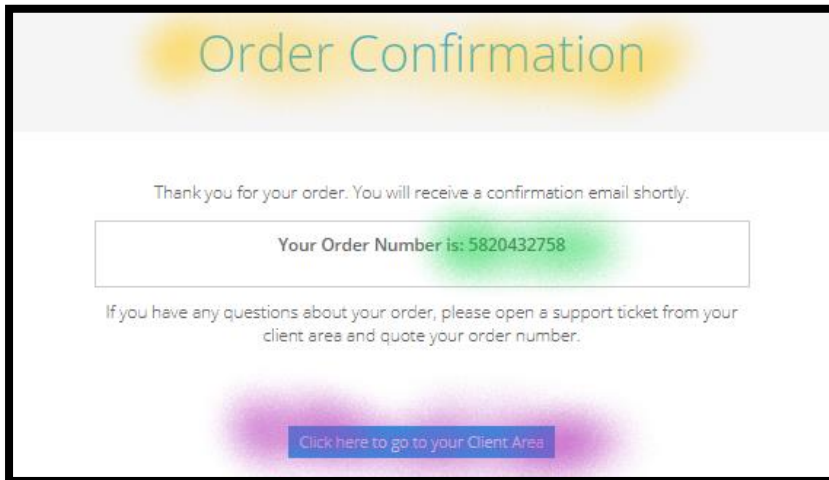

14. Filled-up **your details**. **Enable** on **I have read and agreed**

15. Select **Complete Order**

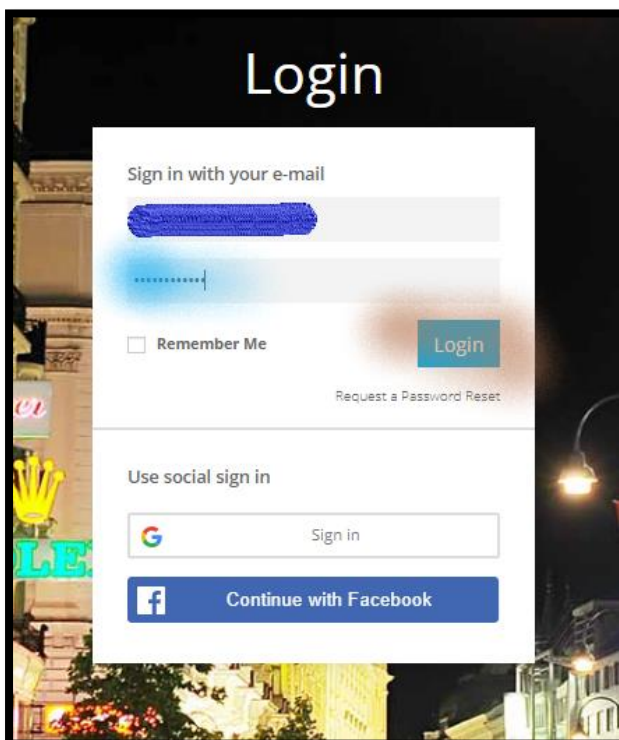

A screenshot of a checkout form. The form contains several input fields: 'First Name', 'Last Name', 'Company Name', 'Address 1', 'Zip Code', 'City', 'Country' (a dropdown menu), 'State/Region' (a dropdown menu), 'Phone Number' (with a '+1' prefix), 'Email Address' (with a 'Change' button next to it), 'Password', and 'Confirm Password'. All the input fields are filled with yellowed-out text. At the bottom of the form, there is a line of text: 'Tax may be charged depending upon the state and country selections you make. Click to recalculate after making your choices.' followed by an 'Update' button. Below this, there is a green checkmark icon, the text 'I have read and agree to the Terms & Conditions', and a blue button labeled 'Complete Order'.

16. Once domain name registered successfully, you will get **Your Order Number**.

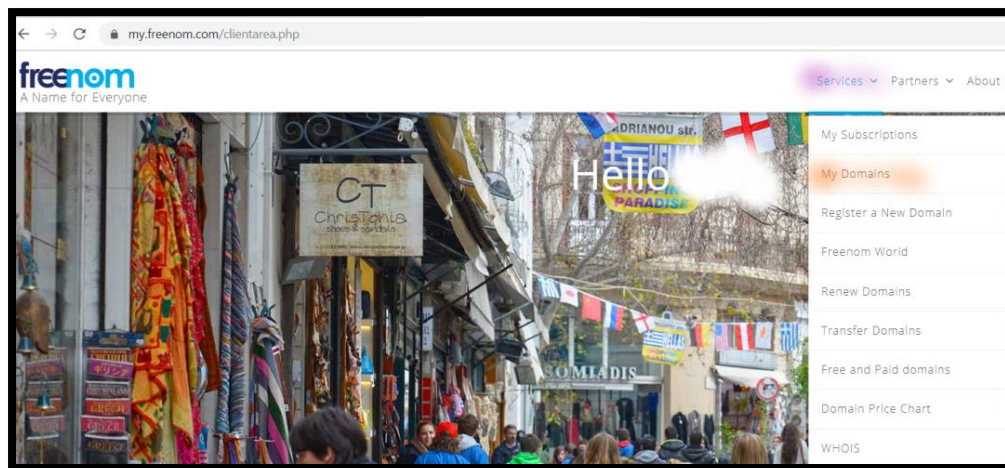

Step 3: Verify Domain Name

17. Open the below **URL**
<https://my.freenom.com>
